# WELCOME TO THE WORLD OF **CROSSRAY®**

Welcome to Crossray, a brand synonymous with innovation, quality, and exceptional design in the world of outdoor cooking. With over a decade of experience, Crossray has established itself as a leader in the industry, offering products that are not only cutting-edge but also highly rated by users and experts alike.

## **A Legacy of Innovation and Design**

Since our inception over 10 years ago, Crossray has been at the forefront of BBQ innovation and design. Our relentless pursuit of excellence has earned us numerous design awards, showcasing our commitment to creating products that are both functional and aesthetically pleasing. Our patented electric burner technology is a testament to our dedication to pushing the boundaries of what's possible in outdoor cooking.

## **Australian Heritage, Global Excellence**

Built in Australia, a country renowned for its BBQ culture, Crossray products embody the spirit and expertise of Australian grilling. Australia is a world leader in BBQing, and our products reflect this heritage of outdoor cooking excellence. Each Crossray BBQ is designed to deliver best-in-class performance, ensuring that every grilling experience is extraordinary.

## **Trusted by Users**

Our products have consistently received very high ratings, a testament to the satisfaction and trust of our customers. We pride ourselves on delivering BBQs that meet and exceed the expectations of grilling enthusiasts, providing reliable, top-tier performance with every use.

## **Why Choose Crossray BBQ?**

- **Innovative Design:** Over a decade of award-winning design and innovation.
- **Products designed in Australia:** the heartland of BBQ
- **Proven Quality:** High ratings reflecting customer satisfaction.
- **Best-in-Class Performance:** Superior grilling experiences backed by cutting-edge technology.

# eXtreme

## Electric BBQ

Boasting unparalleled high-intensity electric infra-red element technology, this grill delivers a sizzling cooking experience that surpasses gas BBQs. With **CROSSRAY eXtreme Electric BBQ**, embrace a sustainable lifestyle without compromising on taste or performance.

The Cross eXtreme Electric BBQ is designed to elevate your grilling experience. It comes complete with a protective cover to keep your BBQ clean and shielded from the elements, ensuring it stays in good condition for long-lasting use. Featuring a large cooking area, this BBQ is perfect for family meals and gatherings, providing ample space to cook multiple items at once. Whether it is a weeknight dinner or a weekend BBQ, enjoy the convenience and joy of grilling with a high-performance, mess-free electric BBQ that's built for any occasion. For even more convenience and customisation, a range of accessories are also available, allowing you to tailor your BBQ experience to suit your needs.

and side shelves folded down

# Accessories

Upgrade your cooking experience with our selection of accessories.

## Trolley

Featuring foldable side shelves, this trolley offers ample workspace for all your grilling needs. Designed for ultimate portability with smooth-rolling castor wheels, it is easy to move and store. The trolley raises your Crossray electric BBQ to a comfortable level, ensuring a more enjoyable and effortless cooking experience.

## Smoker Box

Transform your grilling experience with the Smoker Box, designed to infuse your food with rich, natural smoke flavour. Whether you prefer the bold taste of hickory or the subtle sweetness of applewood, this versatile accessory lets you experiment with a variety of wood chips and pellets to create the perfect smoky finish.

## Protective Cover

Protect your BBQ from the elements with this high-quality, heavy-duty cover. Made from 600D polyester with a PVC coating, it offers superior durability and weather resistance. Designed specifically for the Crossray eXtreme Infrared Electric BBQ ensuring a snug and secure fit for optimal protection.

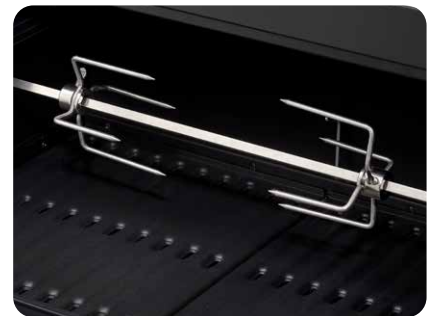

## Roasting Rack

Elevate your Sunday roast to new heights with this versatile roasting rack. Crafted from durable stainless steel, this rack lifts your meat above the grill, ensuring even heat distribution and perfectly cooked roasts every time.

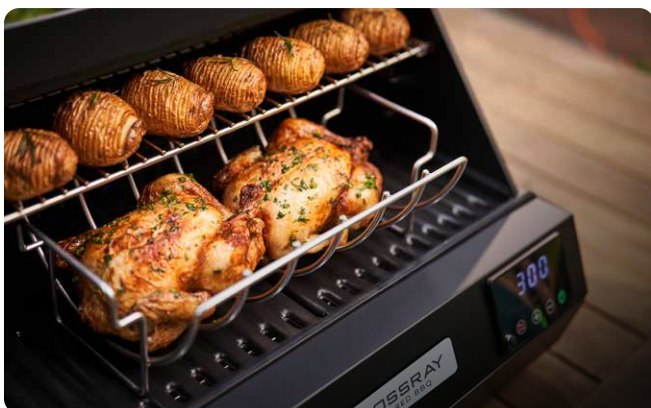

## Hotplate

Perfect for when you are cooking foods preferred on a flat plate such as bacon and eggs, vegetables etc. Simply use in place of the grill plate.

## Rotisserie Kit

Experience effortless rotisserie cooking with the robust 240V motor. Take your slow-cooked meals to the next level with the Crossray Rotisserie Kit. Perfect for roasting whole chickens, large cuts of meat, and more, this accessory ensures even cooking and juicy results every time.

The **eXtreme Electric BBQ** is also perfect for building into your own outdoor kitchen
